Australian Industry Group Comment on NT Fracking Inquiry

Ai Group media release 22/01/2018

Ai Group together with the Business Council of Australia and Jemena have made a joint submission to the Northern Territory Fracking Inquiry.

In comments regarding the inquiry and the Territory's approach to gas exploration, Ai Group Chief Executive, Innes Willox said today:

"Industrial and community gas users through Australia would welcome any moves by the NT Government to increase domestic gas supply security and help put a lid on future gas prices" Read the full media release [here](#)
