### **AGA - new website launch**

The new AGA website boasts a clean design and intuitive and consistent site-wide navigation system with improved menu functionality. It is also fully responsive with mobile devices, making it easy to navigate on a wide range of web browsers and portable devices.

A range of new services are on offer which include: online Certification Applications and online Applications for AGAMark and AGA membership. In addition, we have introduced one-click ordering of AGA Makers's Warranty Badges and associated labels.

AGA have also launched new Facebook and Twitter pages to expand their communication channels with our members and gas industry stakeholders.

Access to the refreshed website can be found at [www.aga.asn.au](http://www.aga.asn.au)

***Two weeks to go..... don't forget to register***

***What:*** Energy Networks Australia's Future Grid Seminar 2019, Great Expectations: *The Interactive Grid*

***When:*** 9.00am - 4.15pm, Wednesday 27 March 2019

***Where:*** Melbourne Museum, 11 Nicholson Street, Carlton, VIC 3053, Australia

The Hon Lily D'Ambrosio MP will deliver the keynote address outlining the Victorian Government message to energy networks.

Ms D'Ambrosio is the Victorian Minister for Energy, Environment and Climate Change and Minister for Solar Homes.

Prof Pierluigi Mancarella will deliver the International Keynote Address on 'Developing network platforms for a smart future'.

As Professor of Smart Energy Systems at the University of Manchester, UK and Chair Professor of Electrical Power Systems at the University of Melbourne, we are excited to welcome Prof Mancarella to the seminar.
